Cheryl Boujnida**

During a ceremony the
CYS Tackle Football
Season has been
concluded with an
award ceremony for all
football players and
cheerleaders.

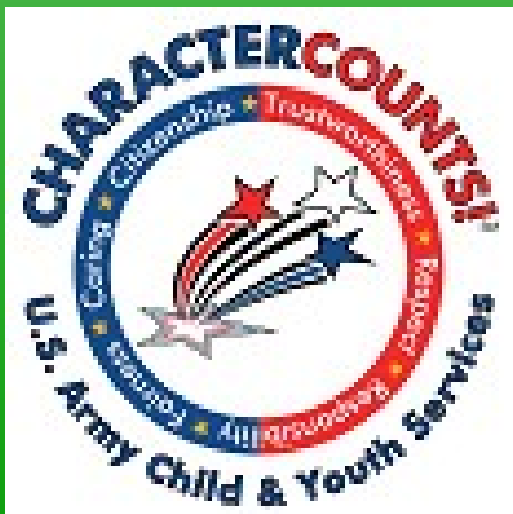

**In 2004,
approximately 65
Bamberg youth
ages 7 to 15
played football on
four teams at
mitey mite, pee
wee and midget
levels for the
Bamberg**

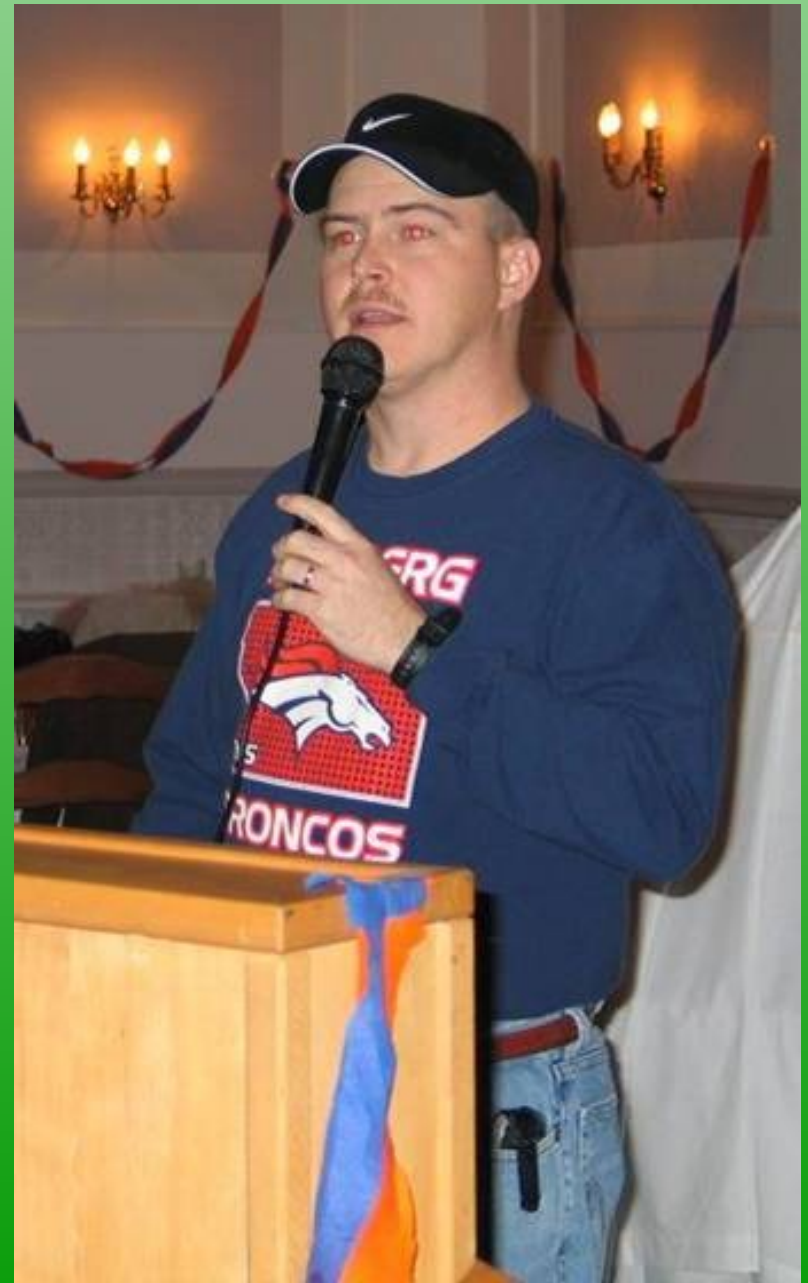

The community also added a fall cheerleading program. More than 75 girls ages 6 to 16 cheered the Bamberg Broncos on.

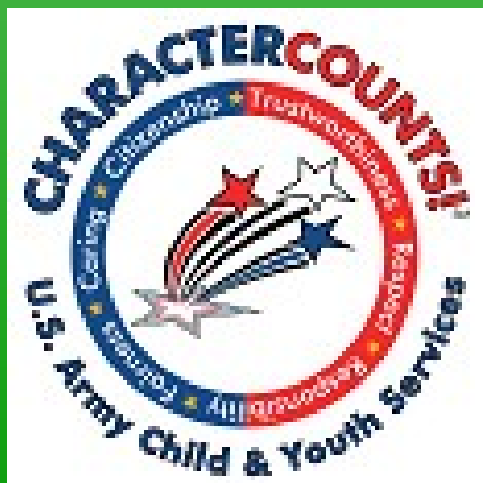

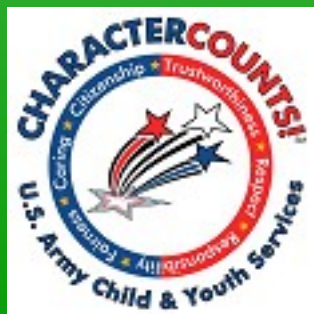

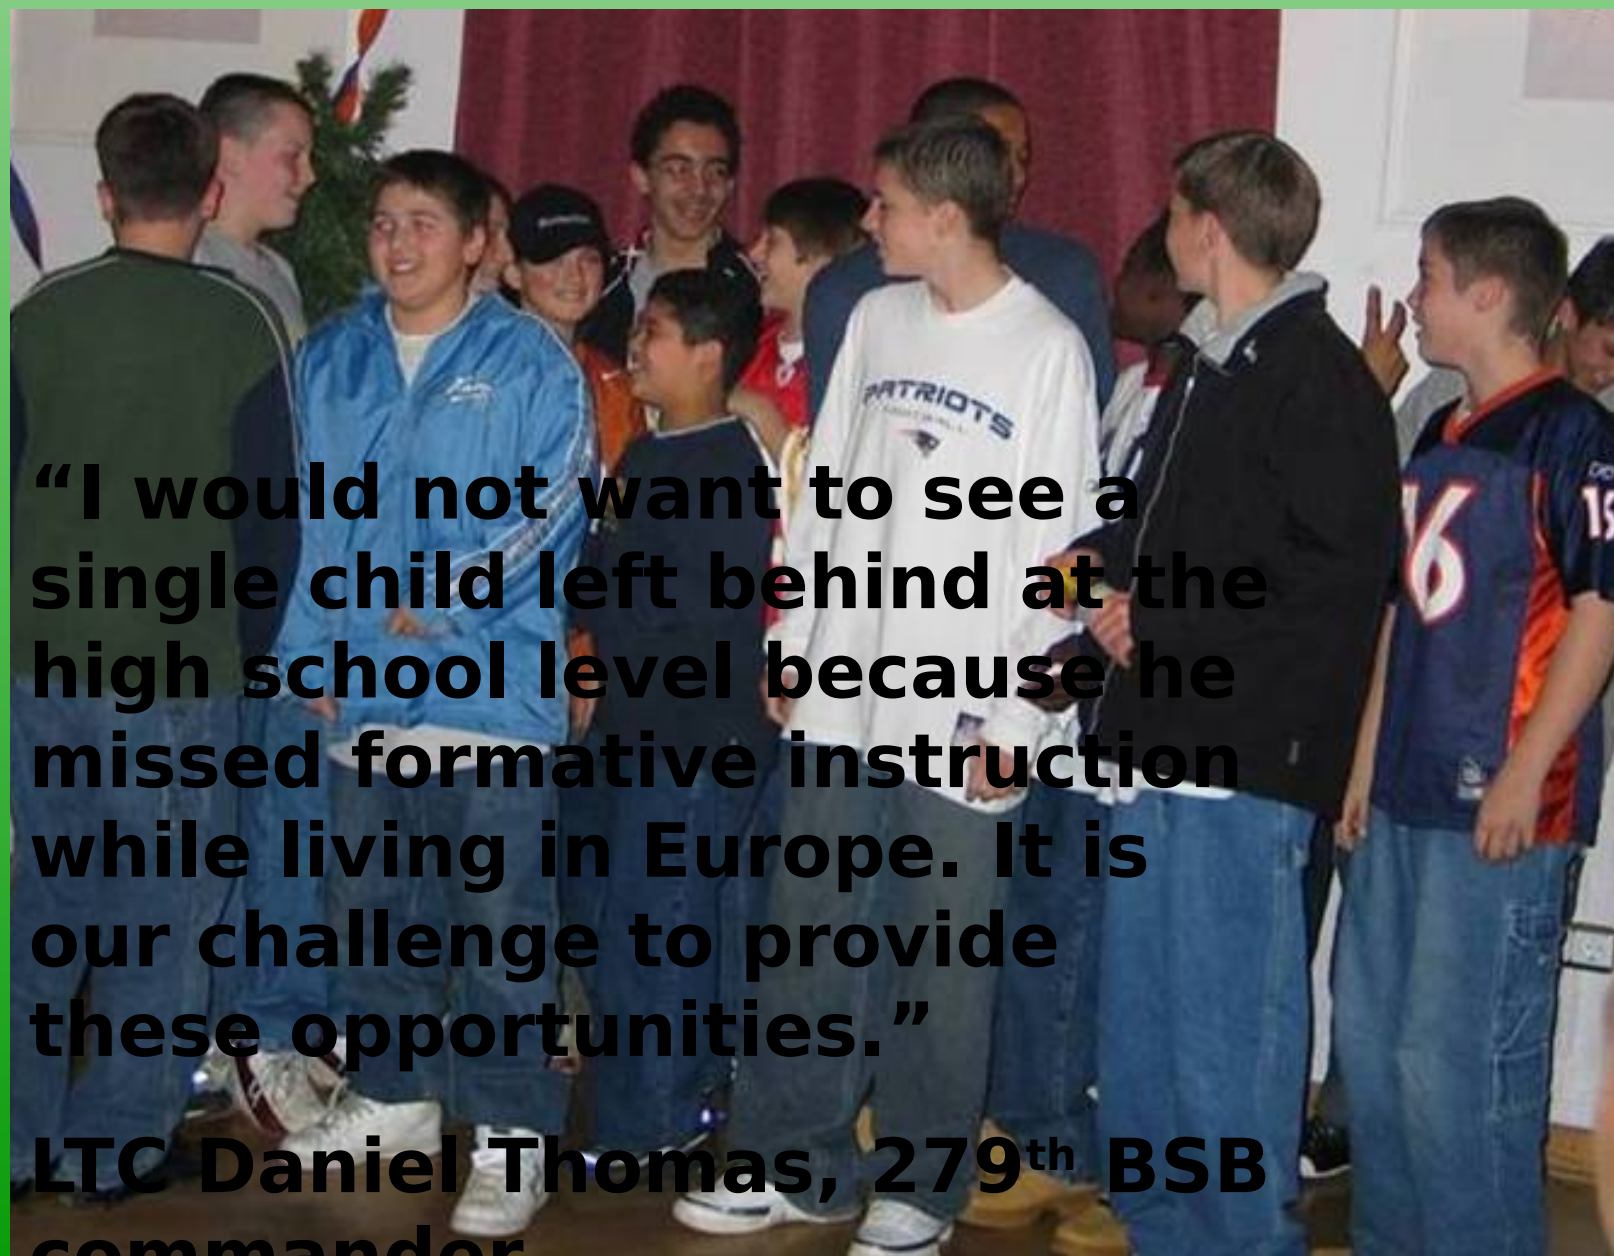

“I’m proud of our youth, sports personnel and volunteers for providing opportunities such as tackle football. Children go through key developmental stages, and if they do not have the opportunity to experience a sport, they may not be able to participate in their late teens when they return to the United States. “

LTC Daniel Thomas, 279th BSB commander

“I would not want to see a single child left behind at the high school level because he missed formative instruction while living in Europe. It is our challenge to provide these opportunities.”

LTC Daniel Thomas, 279th BSB commander
